I'M WRITING THIS LETTER IN REGARDS TO THE UCBA PROJECT AT HILLCREST BAY, PARKER, AZ.

I'VE WRITTEN BEFORE AND OPPOSED IT AND I STILL OPPOSE IT.

THE REASONS ARE:

MY WIFE AND I DON'T HAVE THE MONEY TO AFFORD IT. WE ARE ON A FIXED INCOME AND A VERY TIGHT BUDGET. ANY EXTRA WE HAVE TO PAY OUT COULD CAUSE US TO TRY TO SELL OUR HOME AND MOVE.

I'M A STROKE VICTIM OF 4 1/2 YEARS AND MY WIFE'S HEALTH IS NOT GOOD EITHER. WHAT little SAVINGS WE HAD HAS BEEN USED UP WITH MEDICAL NEEDS. WE WOULD LIKE TO ATTEND THE MEETING IN JULY BUT IT IS NOT POSSIBLE BECAUSE I CAN'T TRAVEL TO PHOENIX DUE TO MY HEALTH. I HOPE YOU WILL TAKE THESE THINGS IN CONSIDERATION WITH THE ECONOMY THE WAY IT IS THE HOMES AT HILLCREST BAY ARE NOT SELLING. THE VALUE OF OUR HOMES

HAS GONE DOWN, I WOULD SAY AT LEAST 60 PERCENT
AND I DON'T SEE ANY TURNAROUNDS ON POLES FOR A
NUMBER OF YEARS.

THANK YOU FOR TAKING THE TIME TO READ MY
LETTER.

Sincerely,

Don Vaughn

P.S. SINCE THIS IS APS'S EQUIPMENT WHY SHOULD
THE HOME OWNERS HAVE TO PAY FOR THEIR EQUIPMENT?
IF THE POLES AND WIRES ARE BAD SHAPES IT
SHOULD BE THEIR RESPONSIBILITY TO PAY FOR
EVERYTHING ALL BUT THE HOOKING UP TO
OUR METERS. WE PAY OUR ELECTRIC BILL EACH
AND EVERY MONTH

WHEN A NEW SUBDIVISION IS BUILT THE
HOME OWNERS DON'T PAY FOR APS'S EQUIPMENT
SO WHY SHOULD WE.
